

When planning your next event,
look toward the alternative to taking care of the bar yourself:

Eddie's Catering's Full Service Bar

You, your family and your friends relax and enjoy the evening.
Whatever the event, our Full Service Bar has been designed to provide our customers with worry free refreshments and cocktails for their guests.

Our bartenders:

- set up the bar
- haul the kegs
- carry the ice
- bring cases of liquor *(you pay only for the bottles used)*

We do all of the work!

These prices include our trained, courteous bartenders, all necessary glasses, napkins, stirrers, ice, mixes, juices, lemons, limes, cherries, olives, ice scoops, CO² tanks, cold plates, towels, pourers and trays.

**We can do a 'Cash Bar' for a \$250.00 fee,
plus we charge \$35.00 per hour for bartenders.**

For all parties, we do have a \$500.00 minimum.
